# Introduction to Land Tenure and Property Rights Issues and Best Practices Training

**Gregory Myers, PhD**

Land Tenure and Property Rights Division Chief

USAID

18 February 2014

**USAID**  
FROM THE AMERICAN PEOPLE

## *Why does land matter?*

Secure land tenure and property rights create incentives for investment and trade, contribute to job growth and global prosperity, foster good stewardship of land and natural resources, and prevent conflict

**Land is a central global development issue**

**USAID**  
FROM THE AMERICAN PEOPLE

## Why land matters now...

**USAID**  
FROM THE AMERICAN PEOPLE

## *Definitions matter. So we will...*

- Create a shared vocabulary of fundamental LTPR concepts and terms
- Identify a few common confusions in the use of key terms which can lead to miscommunication in policy discussions
